MA KE` LAUGH CORNER

- At graduation, everybody is going to get their diploma but Tom. At the assembly Tom's entire senior class screams "Let Tom graduate, let Tom graduate!" The principal in a moment of weakness agrees to give Tom one last chance. "If I have five peaches in my left hand and five peaches in my right hand, Tom, how many peaches do I have?" he asked. Tom thought long and hard and then said: "ten." And the entire senior class stood up and shouted. "Give Tom another chance. Give Tom another chance!"
