Dear Lion President Alice,

Sunday, September 21, 2008 is World Peace Day throughout Hawaii and the whole world. There will a Peace Bell ringing ceremony at Blaisdell Park at 9:00 am. Please tell your members.

It is with great pleasure that the Aiea Lions Club recognizes the unselfish efforts of Pearl Lions Club members Al De Mello, Leslie Hamada and Paul Kudo and gave up their Wednesday afternoon today to spruce up the Peace Bell structure at Blaisdell Park.

Also, Lion Nori Balantac as well as Lions June and Phil Brieske should be acknowledged for their assistance on the history of the Peace Bell project undertaken by Pearl Harbor Lions Club in 1991.

With the students, faculty and parents of Pacific Buddhist Academy and Lions from Pearl City and Aiea, the Peace Bell at Blaisdell Park received a new paint face-lift.

The Peace Bell was a project undertaken by the former Pearl Harbor Lions Club and commemorated on December 10, 1991 during the 50th Anniversary of Pearl Harbor Remembrance.

Aiea Lions Club is humbly grateful to Pearl City Lions Club

Yours in Lionism,

Lion Wendell
