

DISTRICT 50 • HAWAII
THE INTERNATIONAL ASSOCIATION OF LIONS CLUBS

Aloha Nui Initiative

Membership Growth Initiative: The GMT committee is sponsoring a membership growth contest called the Aloha Nui Initiative. Let us share our Aloha with friends and families and ask them to join our clubs. This is a two-pronged initiative. The first prong is the club initiative and the second prong is the individual Lion recruiting new members.

Club level winner: The club with the greatest amount of recruiters bringing in new members for a **positive growth for the club**. This will be done by percentage to make it fair to large as well as smaller clubs. The winning club will win a cash prize along with a prestigious trophy.

Individual member winner: We will be providing a prize for the club member who sponsors the most members into their club this year. **To be eligible, your club must have a positive net growth.** Eligible members need to have sponsored **at least three new members** between the months of July 1, 2017 to April 15, 2018. If there is a tie, the Lion that sponsors the most Proud Lions will win. If a tie and none of the recruiters sponsored a Proud Lion the winner will be randomly selected in a draw.

So... What is the prize?

Top three recruiters will be awarded with reserved seating (value: priceless) at the District Governor's Banquet at the district convention. Recruiters will also have chances to win additional prizes for each new member recruited.

First place winner will be awarded with dinner and reserve seating for two at the District Governor's Banquet. (Reimbursement for the paid dinners will be made.)

Additional prizes for recruiters:

For each new member recruited, your name will be entered to win additional prizes. Prizes are yet to be determined.

Club secretaries will need to notify PDG Cecelia Izuo with the list of their three top recruiters, contact information and the list of their sponsored Lions by April 15, 2018. Completed Proud Lion applications for the tiebreaker must be received on or before the April 15th deadline.

In summary:

Contest Period: July 1, 2017 through April 15, 2018

Deadline to turn in list: April 15, 2018
