BIG ISLAND, HAWAII

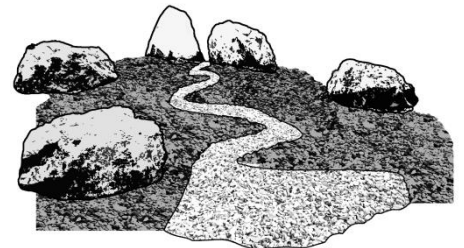

Our Legacy Project, Service Walk, and Business Expo are integral events of our District 50 Hawaii Centennial Convention at the Grand Naniloa Hotel from May 3-5, 2018.

The t-shirt at the right will be free for the first 200 registered conventioners.

LEGACY PROJECT

Lions Clubs of District 50 will be doing a Legacy Project at Liliuokalani Park and Gardens fronting the pavilion that was built in 1987 by the Lion Clubs of District 50, Region VII, Zone 1, and the County of Hawaii. On Friday, May 4, 2018, we will complete the Legacy project that will consist of spreading gravel around the projectsite. At the conclusion an official dedication will take place at the project site.

SUPPORT OUR SERVICES WALK

The primary purpose of the Walk is to publicly acknowledge 100 years of unselfish service provided to our less fortunate citizens by our service organizations and our community-minded employers.

The Walk will start from the Grand Naniloa Hotel along Lihikai St., through Banyan Drive and culminate at the old Sumo Ring parking lot. The attendees as well as the general public will be invited to attend our "100 years of Community Service" Celebration and Business Expo. Featured will be local businesses, lively entertainment, and budding entrepreneurs as they proudly display their best products and services that East Hawaii has to offer.

There will be an "Omiyage" booth of Big Island delicacies.

For your convenience, an **omiyage** (gift items) and **mini craft fair** will be available during our Centennial Celebration in the Liliuokalani Park and Gardens! Support our businesses that embrace community service!
