A Message from District Governor Blayne!

Aloha District 50 Lions!

I am truly honored to be your servant leader during this special period in our Lions history! In addition to our wonderful bi-monthly Leo Liona Newsletters spearheaded by Lion Todd Kawamoto and Lion Lisa Rosie, I will be including these brief newsletters to augment the news and activities going on throughout our District! After our worldwide initiative, LCI Forward, **D50 Forward** represents our alignment with "moving forward" with our new global service network for the new Century in Lionism!

D50 Well Represented in the Windy City!

An impressive, energetic contingent of D50 Lions made the trek to LCI's Centennial International Convention in Chicago and what a celebration it was! Thanks to Lion Lani Kahawahi, we had a Chicago-based, Hawaii-grown Halau singing and dancing throughout the mile-long parade! After 2 days and evenings of speeches, presentations, ceremonial pomp, we were thoroughly entertained by renowned bands like the Beach Boys, Chicago, and the Charlie Daniel's Band. International President Dr. Naresh Aggaral, his International Team, and 740 District Governors from around the world were officially installed!
