---

The Board of Directors of the Hawaii Lions Foundation is pleased to announce the selection of Robert (Bob) M. Armstrong as its Executive Director. Mr. Armstrong will be responsible for community relations, services to Lions Clubs, and fund development to enhance service projects for the visually impaired, youths, and the needy throughout the state of Hawaii.

Mr. Armstrong has led several non-profits, including 501c(3) organizations and has had success in generating funding through grants and programs.

He has served as Governor Ige and Mayor Caldwell's first marketing director for Oahu's highly successful 'Landlord Summit on Homelessness'.

Besides being a former member the Ala Moana-Kaka'ako Neighborhood Board. He has also been a Rotarian and served as President of the Peoria Sertoma Club. He understands the good work that an all-volunteer organization such as the Lions Club does and the challenges before it.

Mr. Armstrong is a former successful radio and television station manager, reporter and anchor; a professional fundraiser, grant writer and special events producer; and someone who understands the corporate, travel and military perspectives found in Hawai'i.

He has earned three degrees, including a MBA in non-profit leadership from Chaminade University, and was awarded a Fulbright research scholarship as part of his doctoral work in International Communications from Ohio University.

Mr. Armstrong will assume the Executive Director position on November 16, and will be available at the Hawaii Lions Eye Bank office located at 405 North Kuakini St. Suite 801.
