HELP US HELP OTHERS!

Its "Lions in Sight" Month and throughout January, Hawaii Lions Clubs will be collecting used prescription **EYEGLASSES & SUNGLASSES** as part of a unique recycling program. The glasses will be distributed to those in need in developing countries where eye care is often unaffordable and inaccessible.

Imagine if you could help a child read. An adult succeed in his job. A senior maintain his or her independence. And provide a community with more opportunities to grow and thrive.

The Hawaii Lions has partnered up with local retailer **WALMART** in our effort to mass collect used eyeglasses.

We're also accepting HEARING AIDS!!
