Did you know?

Starting in July 2017, new members receive emails from LCI designed to educate, inspire and encourage engagement with Lions activities. This is designed to increase retention within this segment of your membership. Please ensure that you are complementing our messaging by sharing what your club is doing at the local level to help contribute to the overall success of Lions worldwide.

- Conduct New Member Orientation sessions with new members to compliment the New Member Experience emails they will receive.
- Encourage participation in the Lions Mentoring Program.
- Promote membership during service events. Fun events that invite community members to participate are an excellent recruitment tool.

A positive member experience is the foundation of retention. Partner with your clubs Service Committee to ensure that service projects are meaningful to each member's humanitarian interests.

Support and Guidance

As the membership chairperson, there are many people who will be available to assist you throughout the year. Working closely with your membership committee and your District Global Action Team, specifically the District Global Membership Coordinator, will allow you to receive the support and guidance you need to meet your responsibilities.

Membership Committee

It is recommended that you begin by recruiting a membership committee to ensure that there is enough help to get work done. Your membership committee can be structured in the way that best fits for your club's needs; however, LCI recommends including the following club members:

- Last year's membership chairperson
- Next year's potential membership chairperson
- Any club members interested in new member recruitment or member satisfaction

This recommended structure helps clubs make membership satisfaction and growth a priority by putting a unified team together to lead the club's efforts. Because both the previous and future membership chairpersons are involved in the committee, it also ensures that membership efforts flow smoothly from year to year and the sitting chairperson can have an understanding of what has worked and what hasn't for your club.

Global Action Team

As a member of the Global Action Team, you have the support from your district Global Membership Team (GMT) coordinator and the district governor, who is the chairperson of the district Global Action Team. If you have any membership related questions or concerns, you should reach out to them – they are there to support you!

Other Lion Clubs

Clubs also benefit from other clubs by sharing "best practices." As a membership chairperson, you can easily increase member satisfaction and reach membership growth goals by utilizing the support network that has been established.

Lions Clubs International

LCI understands that growing your Lions Club is important because of the difference each new member can make in your community, and also understands the importance of keeping your current members satisfied. With a little personalized effort you can ensure that your club is a good fit for both newly recruited members and members with many years of service.

We are working to build a repository of best practices and successful stories, so let us know what works to make your new members feel more welcome, and to celebrate the long – standing members of your club!

There are several tools and resources online?

Check out:

Membership Satisfaction

To ensure your Lions club remains healthy and vital, you need to consider the experience and expectations of belonging to your club. If your club members feel that their time is well spent at club functions and activities, and have built friendships within the club, they will remain part of your club for a long time. That is why it is important to keep members engaged by incorporating various member satisfaction programs. These programs focus on club cooperation, member morale and enhanced meetings to help get members involved.

New Member Checklist

Use the following new member checklist to ensure you are welcoming your members and are making them feel like family:

- Have I made the new member feel welcome?
- Have I given them responsibility that matched what their goals were at the time of joining?
- Have I valued their input, and respected their ideas?
- Have I made them feel like a member of the family?

Member Satisfaction Guide

The [Member Satisfaction Guide](#), along with the following resources referenced in the guide, will help ensure your members are getting the experience they expect from your club:

- [How Are Your Ratings? Survey](#)
- [New Member Orientation](#)
- [Lions Mentoring Program](#)
- [Community Needs Assessment](#)

Member Satisfaction Report

Use the Membership Satisfaction Report at the end of this guide to track the initiatives you have taken towards membership satisfaction. Submit this report to club officers each month so they are aware of the club's efforts.

Membership Recruitment

Every club needs members in order to achieve its service goals. New members provide clubs with fresh ideas, new projects and additional ways to make a difference in the community. As club membership chairperson, you will organize membership growth efforts and ensure that goals are being met.

Just Ask! New Member Recruiting Guide for Clubs

This helpful, step-by-step [guide](#) is designed to direct your club through the process of recruiting new members and effectively managing club growth.

Although the concept is simple – just ask community members to join – this guide will help you prepare an effective outreach plan by leading your club through a four-step process for recruiting new members:

1. Preparing your club
2. Creating your club's growth plan
3. Implementing your club's growth plan
4. Welcoming your new members

Membership Opportunities

When members are invited to join Lions, share with them the international dues programs and membership categories so they are able to choose the one that fits their situation. The [Membership Opportunities Flyer](#) will teach you and your club members about all of the membership types and categories available.

Membership Recruiting Event or Invitation Report

Use the *Membership Recruiting Event or Invitation Report* at the end of this guide to track the number of participants at events, prospective member's information and notes or follow-up information about those members. Submit this report to club officers each month so they are aware of the club's recruiting efforts and successes.

Did you know?

It's important to prepare your club before you begin your recruiting efforts. An unprepared club may not seem welcoming to a new member, and your efforts to get new members to stay will not be very successful. First be sure that your club is ready for new members before recruiting. Use the *Just Ask! Guide* to help in this process.

Awards and Recognition

Lions Clubs International offers various membership awards and recognition to recognize Lions and clubs for their accomplishments. As the membership chairperson, it is important that you share the following opportunities with your club members to encourage them to recruit new members and keep current members satisfied:

- **Sponsor Certificate:** Lions that sponsor a new member anytime in the Lions year receive a certificate of sponsorship signed by the international president.
- **Membership Key Awards:** Lions earn their first membership key by inviting two new members and may earn up to seventeen keys for member invitation. Each key is designed to reflect the number of new members a Lion has sponsored.
- **Member Satisfaction Award:** Lions clubs that maintain 90 percent of their membership or reverse long-term membership loss in a fiscal year receive the Member Satisfaction Banner Patch.
- **Chevron Awards:** Beginning at 10 years, and continuing in 5 year increments, Lions are recognized with a Chevron Pin for their long-term service.

Club Branch

If your club has or recruits a group of people who want to have a specific focus, perhaps a club branch may be the best way to keep these Lions engaged in your club. Clubs that start a branch are recognized with a banner patch, and branch membership and service will count toward your clubs overall membership and service!
