## Pali Lions Installation of Officers August 28, 2022

After a couple of unsuccessful attempts to have our annual Installation of Officers Meeting at the Marine Base Officer's Club, we decided to move the event to Gyotaku Restaurant in Pearl City. Turned out that Gyotaku had a nice semi-private room and the Japanese luncheon was great.

We thank District Governor Gary Nip and his CIS Joyce for accepting our invitation to install our new officers for 2022-2023 fiscal year that includes

President Gary Hiramatsu, Vice President Charles Conboy, Treasurer Dan Motohiro, and Secretary PDG Cecelia Izuo (who could not be present.) DG Gary also install our 3 new club members.

Newly inducted member Lynette, with Prexy Gary

DG Gary Nip emailed the following: "Here are some pictures for your bulletin. They are of sponsors pinning the special New Mem-

Newly inducted member Mike being pinned by sponsor Glenn

Lion President Gary nominated Lion Dan for the limited DG Maika'i Job Well Done coin for all that he does for the Pali Lions Club.

Mahalo for inviting me and CIS Joyce. It is a great honor that we serve those who serve others."

## Prexy's Message

To Pali Members,

As we are approaching the end of the first quarter of our 2022-2023 Lions fiscal year, I would like to express my appreciation for the continuous hard work and effort by Lion Clarence for our monthly newsletter! I cannot remember who was our editor prior to Lion Clarence as he has been doing such a great job for a long time. A big MAHALO to Clarence which I know is shared by all Pali Lion members.

Thank you to Pali members, family and friends who attended our installation luncheon at Gytaku restaurant in Pearl City. A special thanks to Lion Paul who coordinated the venue and for PDG Cecelia for inviting our District Governor Gary Nip. It was a great event of fun and fellowship with all and meeting DG Gary and his CIS Joyce. They both are true ambassadors for our Lions organization.

A big MAHALO to DG Gary for the induction of three of our new members and for the installation of our 2022-2023 club officers including directors which was everyone! Looking forward to our upcoming projects that we are anxiously waiting to participate in. In the meantime pleas stay safe and well!

## Garden Boxes for Kailua Int School August 27, 2022

We received the following email from Espie at Kailua Intermediate School on August 25:

*Aloha Pali Lions,*

*My name is Espie, I am a teacher at Kailua Intermediate School. I used to work at Lanikai School, but have since moved on to KIS.*

*I submitted for Pali Lions help in the Spring and was hoping to have volunteers this weekend at KIS building Trex garden boxes for the Intro to Agriculture and Farm to Fork programs. I believe my request was approved.*

*I just wanted to confirm that our date was August 27, this Saturday. Mahalo for your time.*

*Aloha,*

*Espie*

*Farm to Fork/Intro. to Ag*

Quickly PDG Cecelia wrote a letter to Hardware Hawaii and received donations of the materials, and Lions Jay and David K built the garden boxes on Saturday Aug 27 as requested. Another example of Pali Lions moving fast to serve its community.

## LIONS SHORTS

Here's a few more pics

If you live in Kailua and Lanikai, you probably got this Kailua magazine with the Pali Lions on the front cover. Great publicity for our club.

# Volunteering at the State Archives

Email from Adam Jansen, PhD  
State Archivist

I appreciated the opportunity to have addressed your group. To reiterate, there are several volunteer opportunities at the Public Archives of Hawaii that your organization might be interested in:

1. Helping at Registration: Volunteering a couple hours a day to help out at the front desk, checking patrons in/out of our registration system. Work's at the main archives on Iolani Palace Grounds.
2. Process Hawaiian Music Record: This work is out at the Record Center near the airport. It's about half way done and is moving into cleaning and rehousing the phonograph records. Cleaning is done in a two stage process using specialized equipment. It takes about 6-8 minutes per record to do clean to archival standards. Once complete, index the records by artist, title and record number into a spreadsheet using our laptop.
3. A project that we would love to see the Lions take 'over' for us. Processing the Star-Bulletin/Advertiser photo collection. We have 100s of 1000s of photos from the 1950-1990s that were taken by local press photographers. These photos need to be rehousing into archival folders/boxes, labeled, and indexed so that they can finally be accessible to the public. Work's on Iolani Palace Grounds.
4. For those with graphic artist/ photography background, we are always looking for volunteers to help digitize photographs. This is a bit technically complex, so it helps if the volunteer is proficient in Photoshop type applications. Also at the Palace Grounds.

All parking is comp'd by the Archives.

## Passing Thoughts and Any Last Words

First time I've heard of a joint project with 3 service organizations. The Lions, Kiwanis and Rotary clubs will jointly assist the Hawaii Food Bank to address their HUNGER in Hawaii campaign. The volunteers will meet on Sep 23 from 11am to 1pm on the S. Beretania drop off area of the Hawaii State Capitol to collect drive by food donations from the public. DG Gary initiated the joint project after watching the news that the Hawaii Food Bank needs help this year. Hope to see a bunch of Lions there!
