The terminating of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that such person did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of HLF and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.
- B. determines upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses and attorneys' fees which such court deem proper.

- C. To the extent that a person seeking indemnification under Article VII (A) or (B) has been successful on the merits or otherwise in defense of any action, suit or proceeding, or any claim, issue or matter therein, HLF shall indemnify such person against expenses and attorneys' fees actually and reasonably incurred in connection therewith.
- D. HLF shall make indemnification payments to or on behalf of the person seeking them only if authorized in the specific case upon a determination that indemnification of that person is proper because such person meets the applicable standards of conduct set forth in Article VII above. Such determination may be made (1) by the majority vote of a quorum consisting of trustees who were not parties to such action, suit or proceeding, or (2) if such quorum is not obtainable, or if a quorum of disinterested trustees so directs, by independent legal counsel in a written opinion to the HLF, or (3) by the court in which such action, suit or proceeding was pending upon application made by the HLF or the person seeking indemnification or the attorney or other person rendering services in connection with the defense, whether or not such application is opposed by the HLF.
- E. The Board of Trustees shall authorize payment in advance of final disposition of an action, suit or proceeding for the expenses and attorney's fees incurred by a person seeking indemnification under Article VII above, provided that such person delivers a written undertaking to repay such amount unless it is ultimately determined that such person is entitled to be indemnified under this Article.
- F. The indemnification provided by Article VII shall not be deemed exclusive of any other rights to which those seeking indemnification are entitled under any by-law, agreement, vote of disinterested directors or otherwise, both as to action in a person's official capacity and as to action in another capacity while holding such office, and shall continue as to a person who ceases to be a trustee, director, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators.
- G. HLF may purchase and maintain insurance on behalf of any person described in Article VII above against any liability asserted against or incurred by such person in any such capacity or arising out of his or her status as such, whether or not HLF would have the power to indemnify the person against such liability under this Article.

- H. This Article VII shall be effective with respect to any person who is a trustee, director, officer, employee or agent of the HLF, at any time on or after the effective date of this By-Laws with respect to any action, suit, or proceeding pending on or after that date against such person based upon his or her acting in such capacity before or after that date.
