Food Bank Hunger Action Day September 23, 2022

The Lions, Kiwanis, and Rotarians participated in a group project for the Food Bank Hunger Action Day on Sep 23 at the State Capitol. We were there to collect donated canned goods and other monetary donations as well as raise awareness for the Food Bank. Many horns were honked even if no donation was made.

The State Capitol was a great location since there's already a drop off area which made it easy for cars to stop and drop off cash or canned goods. Of course, tourists also used the drop off to take pictures of the State Capitol, but they did not stop too long.

Thanks to Pali Lions Dan, Cecelia and Clarence for representing our club.

Following is a report from DG Gary:

A big mahalo to all of you for what we did today.

This is the first and not the last joint project with our partners in service Rotary & Kiwanis. (My counterparts and I discussed a joint project in April 2023

with Rotary as the lead.)

We got great publicity with the media. This is priceless. (Our yellow vests were so prominent that Kiwanis told me they want to upgrade their attire.)

We helped ease hunger with our modest food and surprising amount of monetary donations. But we can do more based on our practice run today...

Hunger Chair Lion Ells is planning our D50 Food Drive on Saturday November 19 in front of the state capitol again. Let us learn from today's event; please email your suggestions to Lion Ells.

For example, we could use more publicity before the event so the public will know to drop off their donations. Cash donations on Punchbowl street was lucrative.

Will have free parking at the Department of Health on Saturday November 19. Additional signs like "drop \$ in fish nets ahead" would be nice to have.

Again mahalo and I MUA,
DG Gary

Painting Project at Ka'elepulu Elementary October 7-8, 2022

Report by Prexy Gary

The Pali Lions painted 12 doors at Ka'elepulu Elementary School on Friday Oct 7 and Saturday Oct 8. As it happened, the School had painted the exterior of the classroom doors, then found that when they propped the doors open when class is in session, the inside of the doors which are not painted, become exposed. Those were the doors that needed painting.

Lions Dan, Glenn, Karen, Cary and Susan applied the primer coat on Friday. After letting it dry overnight, the next crew consisting of Gavin, Charles, Lynette, Lono and Gary did the finish coat on the next day.

We applied 7 different colors on the doors. The classroom doors are painted with the colors of the islands. They have red, green, orange, yellow etc. doors. Fortunately, the painting was done in the covered areas and we did not have to deal with hot sun or rain. The unfortunate thing was some of us were bit by mosquitos.

Thank you very much to all who were able to help and a big mahalo to Lion Dan for coordinating this project with the school!

Thanks also to Principal Wendi and her maintenance person for the supply of the paint and primer.

Pali Lions Glenn, Karen, Cary, Dan and Susan were the primer patrol

Pali Lions Lynette, Gavin, Charles, and Lono and Gary (not shown) were the finishers

Red Cross Sound the Alarm Project October ? 2022

The long delayed installation of the fire alarm project is scheduled for sometime in October, probably on Friday 14 or 21, since the alarms need to be installed during a weekday. Prexy Gary will let us know when he has obtained the fire alarms from the Red Cross, then Lion Jay will schedule the work with the tenants at the apartment complex on Wailepo Street. This project is done in conjunction with the Red Cross, where for safety concerns, the Red Cross supplies free fire alarms to those who do not have any installed, and the Lions volunteer to do the installation. Stay tuned.

Two Marines boarded a quick shuttle flight out of Dallas, headed for Houston. One sat in the window seat, the other sat in the middle seat. Just before take-off, an Army soldier got on and took the aisle seat next to the two Marines.

The Soldier kicked off his shoes, wiggled his toes and was settling in when the Marine in the window seat said, "I think I'll get up and get a coke."

"No problem," said the Soldier, "I'll get it for you."

While he was gone, the Marine picked up the Soldier's shoe and spit in it. When the Soldier returned with the coke, the Marine in the middle seat said, "That looks good, I think I'll have one too."

Again, the Soldier obligingly went to fetch it and while he was gone, the Marine picked up the soldier's other shoe and spit in it.

The Soldier returned and they all sat back and enjoyed the rest of the short flight to Houston.

As the plane was landing, the Soldier slipped his feet into his shoes and immediately knew what they had done, and he said, "How long must this go on?"

"This in-fighting between our services?

This hatred?

This animosity?"

Passing Thoughts and Any Last Words

Here's something we've not participated in before but since Lions support the visually impaired, you might want to join Ho'opono Services for the Blind in their 30th annual White Cane Day Walk (last two years were cancelled due to Covid.) It will be held on Fri Oct 14 starting at the State Capitol at 10am and concluding at Iolani Palace around 10:45am. The purpose of this event is to increase the public's awareness of the white cane and its significance and importance for persons who are blind and visually impaired.

See you there!
