We could use your help on Saturday December 3, 2022 to bind the cook books and keep the cost affordable. Meet at Ma'ema'e Elementary School faculty meeting room at 8am. Lions can also purchase these books at the school from 8am to noon.

Spotlight on Lion Jeff Ching

He is happiest when helping others which is why he became a Lion. Jeff Ching is the current Cabinet Secretary & District

Administrator of the Hawaii Lions District 50. Born in Honolulu, Jeff attended Liliuokalani Elementary School in Kaimuki and later attended and graduated from Saint Louis High School. It was the alma mater of his father, grandfather and grand uncles and he studied Travel Industry Management at the University of Hawaii.

In March of 2003, he joined the Palolo Lions Club. He has held multiple positions at the club level such as bulletin editor, club director, membership chair, club vice president and club president. It was during the administration of PDG Garrett Ogawa, Jeff made the jump to the district level becoming the cabinet secretary filling in temporarily. He then became the acting cabinet secretary as it was easier for the administration than to make the transition mid-term. This was the time the Covid pandemic started and no one knew what the future was going to be like. Everything was fluid and changing almost everyday. He was a key player assisting PDG Garrett to navigate the ZOOM cabinet meetings, e-cabinet

reports, and the very first virtual District Convention in Hawaii Lions history.

In high school, he cleaned classrooms, then worked as an assistant mechanic for a bowling center, a supervisor & manager for a car rental company, a group specialist for a tour and transportation company, an account executive for a customs brokerage firm, and most recently as a medical billing specialist. As a result of Jeff's diverse work background he brings insight that can be applied to improving the district and making it more effective.

Among Jeff's greatest accomplishments in Lionism, he was the recipient of the International Presidents Award for outstanding service in 2021. He also completed study at Lions University for a Bachelors degree and has attended the Emerging Lions Leadership Institute & Regional Lions Leadership Institute.

Being mindful of the phrases "the needs of the many outweighs the needs of the one" and "spread a little Aloha around the world together we can make it a better place for you and me" he has been dedicated to the service of others for most of his lifetime. Jeff is the oldest of three having a younger brother and younger sister.

District 50 Lions. Your next step to achieving leadership excellence in your Club, Zone and District is to attend our local Advanced Lions Leadership Institute (ALLI) on February 18-20, 2023. This Institute is for those that wish to improve their leadership skills and personal development, as well as doing networking with Lions. The last District ALLI was in 2019, so don't miss this great opportunity to participate in this Institute!

Lion Tony Tassillio Global Membership Team Coordinator

Just ask 2 awesome people you know to join Lions. For retirees, tell them they can network with others wanting to give back to their communities. For those new to Hawaii, like the military, tell them joining is a great way to make new friends. For young members tell them about your environmental projects which seem to attract young people.

D50 Service activities completed = 1364 Volunteer hours = 18,785 People served = 467,914 Funds donated: \$32,301 Funds raised: \$50,662 Lions Club Reporting: 36/56 = 64% Leo Club reporting: 3/27 (Kaimuki, Mililani, Roosevelt) = 11%. Total reporting = 47% ZC and Club Presidents, please encourage your Lions and Leo Clubs to report their service projects. LEO Clubs reporting adds to our District's Club

reporting percentage of 47%, which is up from last month. A Lion or LEO Club just needs to report once for the district to get credit. Our goal is 55%, so we need a few more clubs to report their service project on the LCI website. Executive Assistant Lion Gavin Hall can work with your club/Leo Club to report your service project. Any LEO Club who did not report service project on My Lion last fiscal year and reports during July 1 - December 31, 2022 will receive a \$25 Check or \$25 Amazon gift card. Service reporting is important!

Lions clubs who do a new service project during July 1 - November 30, 2022 should have emailed their Zone Chair by November 30, 2022. Zone Chairs will decide the Region's best New Club Project and e-mail the winning club to GST Chair Dr. Cedric Mitsui no later than December 31, 2022. All winners will be announced at the 3rd Cabinet Meeting at KMC on January 28, 2023.

East Hawaii Lions (Region VII) Serves up M.E.A.L.S.

October 14 & 15, 2022

Photos & article submitted by Past District Governor Blayne Hanagami

Malama E`a Always, Lions Serve, or MEALS: "to take care of; the spirit/life, and our 'we serve' Lions Motto," a landmark community project aimed to highlight the Lions' ongoing fight against hunger and food inaccessibility in East Hawai'i. This twoday event culminated on October 14 and 15 with projects focused on awareness, simple deeds of kindness, and community engagement that will make a lasting and positive difference!

On Friday, October 14, 120 3rd and 4th graders and teachers from Pahoa Elementary School were invited to participate in a "fun day" at the Panaewa Rainforest Zoo in Hilo with music, inspirational messages, an educational scavenger hunt, food, and fun! Over 40 enthusiastic Lion and Leo volunteers, along with their friends and `ohana, served up the fun, frolic and food throughout the half-day event.

International social media influencer/motivational speaker and musician Wilbur Sargunaraj, known as the "Simple Superstar" enlightened our youth and adults with his profound message: that "we" all are simple superstars by doing simple and kind gestures to help those in need. "As pervasive as our hunger challenges are, ordinary people–like our Lions and Leos–working together with kindness and compassion can have extraordinary results," stated Simple Superstar Wilbur.

Co-emcees Lions Geoli Ng and Leelen Park, set a high-energy mood with students dancing, cheering and roaring with laughter! Hilo's local musician Brandon Nakano, songwriter for Hilo's Aloha Covid song that flooded Hilo's airways over the past few years, opened this unique musical and uplifting concert.

Everyone was treated to a wonderful bento meal sponsored by Hawaii County Economic Opportunity Council and Waiakea Hawaiian Volcanic Water.

With only a few hours rest, the evening zone social

began with our honored guests, District Governor Gary Nip, CIS Joyce, and Simple Superstar Wilbur at Pho 19. Participating Lions clubs included: Akaka Falls, Hilo Crescent City, Hilo, Hawaii Lions Unlimited, Waiakea Lions Clubs, and Hilo Crescent City Leo Club. Inspirational messages were shared and proud new members

of Hilo Lions Club were inducted by our DG Gary!

Early the next morning, our principal sponsor for this second day, The Food Basket, Inc., with its hardworking staff, organized a massive food distribution drop off at Kea`au High School Campus.

Over 80 Lions/Leos volunteers, Food Basket crew, traffic coordinators, and a church youth group loaded bags of canned/dry goods, refrigerated items, and fresh

produce in an endless line of vehicles.

After a few hours of braving the steady Hilo rain, 380 vehicles representing 1700 in dividuals gratefully received the generous servings of healthy foods. Besides the

Lions-Leos 'ohana, volunteers from the community unselfishly offered their assistance. Mahalo to the Food Basket, Inc. and all of the volunteers! An interesting connection: This MEALS Project, with numerous and generous community partners, conceptually began over 2 years ago with the introduction of Lion Magazine freelance writer Katya Cengel, who befriended members of the East Hawaii Lions during her coverage of the 2018 Puna Eruption. Also a world traveler, she had a chance meeting with Simple Superstar Wilbur during a global conference. In the midst of Wilbur's crusade to share his "simple message," he was amazed that the District 50 Hawaii Lions and he shared a similar mission and belief! She introduced both he and Lion Blayne via email to start the prospect of working together. After hundreds of emails and numerous iterations, this landmark M.E.A.L.S. Project was born!

A Big, Big Island Mahalo to the following: Big Island Lions Foundation, East Hawaii Lions & Leo Clubs (Akaka Falls, Hilo Crescent City, Hilo, Hawaii Lions Unlimited, Waiakea Lions), Simple Superstar Wilbur Sargunaraj, Office of the Mayor-Hawaii County, Parks & Recreation Department-Panaewa Rainforest Zoo, Department of Education, The Food Basket Inc, Hawaii County Economic Opportunity Council, Waiakea Hawaiian Volcanic Water, Kuwaye Trucking, and The Church of Jesus Christ of Latter-Day Saints.in Puna!

Your simple acts of kindness continue to reap extraordinary results! Mahalo!

D50 Statewide Food Drive

November 19, 2022

Submitted by Ellsworth Fujii, Hunger Awareness Chair

D50 Lions, Thank you for helping to have a successful Statewide food drive!!! Although not all on the same day in November, Lion and Leo clubs throughout the State held food drives to help fight hunger in Hawaii. My apologies if I missed a few.

On Oahu, about 60 Lions and Leos came to the State Capitol on November 19 to collected canned goods and donations. Lions from Kahalu'u, Kapahulu-Moiliili, Palolo, Hawaii Kai, Chinatown, Honolulu, Leeward, Manoa, Hawaii Filipino, Mana Loa-Nimitz, Waikiki 2000, Kaneohe, Mililani, Pali,

Waikiki 2000 & Hawaii Kai Lions clubs along with 15 individuals made donations totaling \$3,556 on the Hawaii Foodbank Hawaii Lions website. The \$5,532.34 includes the \$1,976 cash and check donations collected at the State Capitol on Saturday, November 19.

and Kaiser High School and Moanalua High School Leos were represented. What nice weather we had for the food drive! I want to thank **ID Bob Lee** and **CIS Pam** and **DG Gary Nip** for coming and supporting our drive.

The State Capitol food drive could not have been as successful had it not been for a few dependable Lions. **Eric Kvick**, Hawaii Kai LC delivered 2 tents, tile-weights, bungie cords, chairs, and table that were used at the food drive. Eric, as HKLC Hunger Chair, also offered to pick up food donations from our members so they didn't have to drive to the Capitol. **Danny Tengan**, Cyber LC brought 2 pallets and 1 Gaylord bin to store the collected canned goods. **Irwin Santos**, Kamehameha LC, helped with the Foodbank virtual donation page, publicized the food drive, handled media coverage, and designed the hunger flyer. These 3 guys did the same thing for the Joint Service Organization food drive held in September. **Shasta**

Kapaa Lions Club (Walton Hong-President) voted to donate \$300.00 to the Kauai Independent Food Bank, instead of holding a food collection project on November 19 due to logistical concerns. They felt that a monetary donation will enable the organization to buy more food than they could otherwise collect on such short notice.

Hilo Crescent City Lions (Bruddah Sean) held a Turkey Drive and food drive at KTA Puainako Super Store on November 5. Hilo Crescent City LC also collect canned food donations every 1st Saturday of the month.

Lanai City LC (Deborah Dela Cruz-President) considered doing a food drive on Lanai but found out that the Maui Police Dept on Lanai was already holding one called the Rice Wall Challenge to

Lanai City LC, Lanai Leos, and Lanai Police Department

collect bags of rice and c a n n e d g o o d s . Lanai is too s m a l t o hold two drives, so t h e y

contacted the police and the Lanai Leos and two Lions assisted with transporting the collected food to the Food Pantry on Nov 18. Lanai City LC had just started volunteering at the Food Pantry which hosts the Maui Food

Bank but was notified that they will be using youth from the church's Youth Ministry and students from Lanai High & Elementary School.

Mililani High School Leo Club and Mililani Lions Club **Curtis Ogi,** Mililani High School Leo faculty advisor, hosted an on-campus collection drive (11/14-17) to support the D50 food drive on S a t u r d a y,

November 19. The Mililani Leo food drive collected 558 items weighing an estimated 280 pounds of food from 49 individual donors.

With the help of D50 Leo Club Advisor, **Winston Watarai** and Leo District President **Kalyn Tom**, a Hunger t-shirt design contest

was extended to

Mililani High School Leo club and their food drive collection

all Hawaii Leos statewide. The Hunger Committee judged the entries and the design entered by **Taryn Sevelio**, Moanalua High School will be *Continued on page 12*

Hawaii Lions got publicity from this past weekend's event on Hawaii News Now...From our State Capitol Food Drive Collection November 19, 2022...

Dozens of Hawaii Lions and LEO youth club members were out today collecting canned food and donations for their Thanksgiving Fall Food Drive. Many families in Hawaii have difficulty putting food on their table at this time of year; it is especially a challenge when good people are struggling to make ends meet. Today's collection enables the Hawaii Foodbank to distribute ~15,000 meals.

TIPS TO HELP ALL LIONS ENJOY THE LEO LIONA IN THE DIGITAL AGE

Some of our members are unable to access the Leo Liona (and other digital Lions publications). Here are some helpful tips for clubs.

AN EMAIL ADDRESS FOR EACH MEMBER

Attempt to secure an email address from each member. Perhaps it is an address of a family member who is able to obtain Lion information and pass it along to the Lion member.

CARING IS SHARING

Devote time before or after in-person meetings to share digital information with members. Have a device available for members to learn to use.

BY REQUEST

Print out digital publications for your members who request it.

PARTNERING WITH LEOS

Provide hands-on computer learning opportunities for members by *a* partnering with your Leo Club.

These are a few examples. Share your great ideas with your club.

District Governor Maika'i Coin

Article and photos by Lion Gary Nip

MAKA'I Job well done!

District Governor (DG) Gary Nip has a limited special DG Maika'i (Job Well Done) coin to recognize those who go beyond.

Here are some of the recipients and their outstanding achievements:

Lion Momi Kawai Hilo Lions Club

Prexy Russell Hiyashi said she joined on 4/1/22 and already volunteered to be our club secretary at the beginning of the new year. She has brought in 2 of

her close friends as new members this year. She is the glue of our club by providing almost daily communication between our membership and officers and the District. She the most positive person I know and most willing to learn everything about Lionism.

Lion Melissa Chong Hilo Lions Club

Recognized on 10/14/22 for serving as the Guiding Lion for our newly chartered Hawaii Filipino Lions Club. Most members of the new Lions Club expressed their

appreciation of Lion Melissa even though the startup has been challenging.

Lion Wayne Kawaye Waiakea Lions Club

On 10/14/22, Lion President Wayne received the DG Coin for his role in the successful visit by the Pahoa Elementary School students to the Panaewa Zoo in

Hilo. Lion Wayne used his resources to transport hundreds of folding metal chairs to the zoo.

Lion Jeffery Daniels Akaka Falls Lions Club

Recognized on 10/14/22 for his hard work and dedication to serving his club as secretary. It can be argued that the secretary

position is the most demanding of all the officer positions in the club. Lion Jeff does his job well and is always smiling.

Lion Len Shimabukuro Akaka Falls Lions Club

Honored on 10/14/22 for providing leadership to his club as the First Vice President. The club can always count on Lion Len for being a reliable and respected

member attending meetings and projects and representing the club with distinction.

Lion Sharon Sakoda Hilo Crescent City Lions Club

On 10/14/22, DG Gary presented the Maika'i (Job Well Done) coin to Lion Sharon. She is the club secretary for many years and takes her job seriously. When

asked if she would like District 50 to email to the members directly, Lion Sharon said she prefers to continue to email her members so she can keep in touch with them.
