DG Visitation and Zone Social January 14, 2023

Our Region 3, Zone 1 will be having the District Governor visitation on Sat Jan 14 at Kualoa Beach Park from 10 am to whenever you need to leave. We will also be honoring our Zone Chair-person Kalae.

I'm sure this will be quite different from the typical visitation that DG Gary has made, and hopefully very memorable for him and our members of our Zone.

Hopefully it will be a sunny and warm day at the beach. Ok to come in your swim wear.

Sight is Beautiful Poster Contest February 18, 2023

Pali Lions will sponsor the Sight is Beautiful Poster Contest for interested schools on the windward side. Contest judging deadline is Feb 18. The contest is open to all students in grades Kindergarten through 6 attending public or private schools. Students' work will be evaluated in 7 divisions by grade level: Division K (Kindergarten), Division 1 (Gr. 1), Division 2 (Gr. 2), Division 3 (Gr. 3), Division 4 (Gr. 4), Division 5 (Gr. 5), Division 6 (Gr. 6) 5. 1st place posters in each of the 7 divisions will compete at the Zone Level for the privilege of going on to Statewide judging. Our club will award first place and 2 honorable mention awards in each category.

Enchanted Lake Elem Bench Painting January 28, 2023

Lion Jay says to hold this date open for the Enchanted Lake Elementary School bench painting project. Jay will try to get Hardware Hawaii to donate the paint. Bring your own paint brushes, rollers, and drop cloths. With enough Lion volunteers, the work should be completed in a couple hours. See you there at 8 am.

Architectural Wonder

Sometimes the outcome is not what you originally sought. Here an architect was looking for a nice vaulted ceiling with a couple of fancy pendant lighting. Turn on the lights and this is what you see.

I wonder if DG Gary (who's an architect) ever encountered something like this

Passing Thoughts and Any Last Words

Happy New Year! And there's nothing like fireworks to bring in 2023. Seems there are less of the 10,000 count Chinese firecrackers going off this year (only two on our street) but there sure were hundreds of illegal aerial fireworks that we can see in our backyard. If you live on the Leeward side, you probably had a 180 degree view a lighted sky. The Chinese firecrackers might be tradition but can't say the illegal aerial ones are.
