## PRESIDENT'S MESSAGE

by *Lion Robin Dame*, President

### PATRIOTISM

As many of you know, I was in London last week. This was my first trip to The U.K. and I must say there were a couple of things that impressed me.

They are about to crown a new King. The first one in almost 50 years. The people of London were interested and energized by this event coming soon.

Although their past is not perfect, no one is embarrassed by it. They embrace that they made plenty of mistakes and tried to be better after each one of them.

America can learn from this. Our past is not perfect, but we have always made progress. If we all honor and embrace the "Good" that our country has accomplished, we too can emerge better off for it!

ChairLion Paul finds eleven Lions on the job.

Lions Prexy Robin and Helena cruise while Lion Stephen has to instruct a 1<sup>st</sup> grader on how to signal.

The vision screening crew of [l-r] Lions Steve, Joan, Prexy Paul, Helena, and Janice take a break during an emergency. Right, Lion DeAnna, a medical professional, checks a 4<sup>th</sup> grader's ear canal as part of hearing screening.

"We'll test your hearing," says Lion Harvey. "Let me know if you hear something," says Lion PDG Roy.

"You're done," says Lion Joanne, collecting the student's data sheet for school follow-up. Principal Jason Yoshida provides a nice lunch for the Lions, takes time out to chat, and expresses gratitude for another project at his school.

## EAST KAUA'I LIONS CLUB AND KING KAUMUALI'I ELEMENTARY SCHOOL SPAGHETTI LUNCHEON GATHERS SCHOOL-COMMUNITY AND LIONS TOGETHER

*By Fundraiser ChairLion Rebecca Carnate, Vice ChairLion PDG Roy Nishida*

**Mahalo, fellow Lions.** Our spaghetti fundraiser at King Kaumuali'i Elementary School was successful with over 1000 orders distributed. Twenty-three Lions worked hard for six hours. **Principal Jason Yoshida** and his **volunteer school cafeteria workers** did the cooking and bento packaging while the Lions ran the orders out to the tables for dine-ins and to the cars for take-outs, considering it fun as they greeted people and thanked them for their support.

**Cafeteria manager Pam** commented on the spaghetti sauce as tasty and plentiful. Other serendipities were **Lion Crystal Caday-Bargayo** donating paper goods including utensil-napkin sets, **Wailua Meat Company** donating 220 pounds of ground beef, **Kaua'i Kookies** making the garlic bread at cost, and patrons making monetary donations.

## CLUB TAKES A BREAK FROM ROUTINE AGENDA TO DO MAJOR LEAGUE BASEBALL

**Lion Secretary Helena Cooney** rescued GMM from the setback of not having the program speaker due to illness. She passed out Major League Baseball [MLB] information cards for everyone to read. She said, “Major League teams are in spring training. It’s the eve of the baseball season. Let’s do baseball!” Here’s a sample of baseball facts read:

1. *Pete Rose has the all-time record of 4256 hits but is banned from the Hall of Fame, as he bet on baseball games while active with the Cincinnati Reds.*
2. *The Major League Baseball Hall of Fame was opened on June 12, 1939, in Cooperstown, New York, coinciding with Baseball’s Centennial.*
3. *For the first time in history, all 30 teams will play their first game of the season on the same day, March 30, 2023.*

Social scientists assert that MLB as an industry, business, and favorite national pastime has a most significant impact on American society. Just on sheer numbers:

1. There are 33 preseason games + 162 regular season games = 195 games per team total.
2. Add it up for all 30 teams, the Grand Total = 2925 games.
3. Then Playoffs: 6 division champs + 6 wild card teams, 2 preliminary rounds, the American and National League pennant round, and the World Series.
4. The team going from spring training all the way to the World Series plays *up to* 219 games!

What an impact on society!

This GMM “program” revealed baseball fans in the club! Here are what the fans say:

1. **Lion Helena Cooney:** “My favorite MLB team has to be the California Angels, as several times I got to be the only girl in the owners’ suite. In 1970’s, Dad was invited by Westmont College to come to UH for a baseball series.
2. **Lion Todd Raybuck:** “Come to my office and see my autographed jersey of Ernie Banks, Cubs baseball cards, and miscellaneous Cub items.”
3. **Lion PDG Roy Nishida:** “My favorite team is the Atlanta Braves who started as the Boston Braves and then the Milwaukee Braves. Stars were Hank Aaron, Warren Spahn, Eddie Matthews, and Lew Burdette.”
4. **Lion Stephen Fujii:** “Can you believe I became a Giants fan because Willie Mays was good at playing pool?! In 1950s. Willie Mays would arrive almost daily in San Francisco Japan Town Pool Hall with his friends. As our group were “junk” shooters, we’d call it quits and watch them shoot some really good pool. When I finally was able to save \$8.00, I went to Seals Stadium to see Willie Mays play. Although I did see Willie Mays, a new player the Giants brought in to play that day, Willie McCovey, became the attraction as he hit two home runs with other solid hits. The last time I saw Willie Mays and his group was in 1994 playing golf in Gilroy. I am a San Francisco Giants fan.”

5. **Lion Liza Cabal Trinidad:** “I’m not a regular watcher of baseball, so I’m clueless. I just wanted to respond from Philippines.” *[Of course, you know that baseball is played in Philippines. Lion Joanne and I watched a snappy high school girls fast pitch softball game in Pagudpud, Ilocos Norte. Editor]*

6. **Lion Janice Bond:** “Houston Astros!”

7. **Lion Marcia Kellogg:** I root for the Red Sox since Yankee fans are insufferable! Haha! Growing up, I picked the Cubbies, but mostly bcz I wanted to watch Bo Jackson! *[Wow! Bo Jackson, the only human being ever to be inducted into NFL and MLB Hall of Fame! Editor]*

8. **Lion Barbara Gusman:** “I watched Barry Bonds play at Pacific Bell Park, San Francisco CA.....my friend had seats where I could see his face very clearly.....In Austin TX, I sat a little high up; however, I could see the game very clearly.”

9. **Lion John Ochoco:** San Francisco Giants fan from 1951 when Bobby Thompson hit “The shot heard round the world” vs Los Angeles Dodgers, Oct 1951, for the National League pennant. Willie Mays was a rookie. Out-of-this-world sensation, my best of all time.

The eve of Major League Baseball recalls a softball game in 2008 between East Kaua’i and West Kaua’i Lions at Kaumakani Field during West Kaua’i Lions In-Out Cookout. The late **Lion Phil Sterker, Past International Director** and **candidate for International President**, himself a short stop in semipro baseball, was a one-man umpire calling a perfect game.

No one can recall who won. But one thing is sure: Baseball will live on until there are no maple trees left to make baseball bats.
