Project Report

by Lion Charles Ortiz, President, West Kaua'i Lions Club

Fellow Lions:

West Kaua'i Lions Club Easter Egg Hunt was an absolute success. Community volunteers included E Ola Mau Na Leo O Kekaha, Waimea High School Leo Club, Waimea High School JROTC, Kekaha Agriculture Association, Hanapepe Salvation Army, and the Boy Scouts who were a great help in disbursing 3000 Easter eggs.

Lion Jackie Wong and her staff boiled and colored the eggs at Wong's Chinese Restaurant. She also made sandwiches with water provided by the club. The Salvation Army donated the toys for kids in the egg hunt. E Ola Mau Na Leo O Kekaha donated four bicycles and twelve kites. Kekaha Agriculture Association donated cookie packets for kids 12 and under. West Kauai Lions provided the eggs.

The gathering, not counting Lions and volunteers, numbered 250, of which 90 were twelve-and-under participants in the egg hunt. Besides the eggs, each participant received a toy and cookies. Four received bicycles.

USA-CANADA LIONS LEADERSHIP FORUM TO BE HELD IN RENO

USA-Canada Forum is in Reno, NV, on September 21-23, 2023. East Kaua'i Lions who attended this forum regard it as highly educational and worthwhile.

Notice was forwarded to *Lions Bone*, courtesy of **Past District Governor Garrett Ogawa [Manoa LC]**.

Website links for information and registration are forthcoming by separate email.

THE CONTINUING SAGA OF MAJOR LEAGUE BASEBALL THAT STARTED IN EKLC GENERAL MEMBERSHIP MEETING . . .

Playing Major League Baseball in GMM revealed MLB fans in the club. Now, here are big-time Major League responses from O'ahu Lions.

- **Lion PDG Roy Aoki, Hawai'i Kai Lions Club:** In the last *Lions Bone*, interesting baseball comments came out! I would also like to add mine.

My eldest son graduated from UH in engineering and decided to go for his masters degree at Purdue. The family made plans to take him to Purdue in the summer before the semester started. My youngest son was a fan of the Atlanta Braves since they were the only game on TV in Hawai'i at that time. Although they were in last place for many years, he stuck with them. His favorite player was **Dale Murphy**. My eldest son wanted to see **Ryan Sandburg** of the Chicago Cubs. We ordered tickets to the Braves game. We went to the game and had seats in "visitors section" behind first base.

Unfortunately, **Dale Murphy** was traded to the Philadelphia Phillies before we got to the game. Our consolation was being shown on the "jumbotron" in center field. Also, *I caught a foul ball* during the game.

Later, we went to Chicago, but since **Ryan Sandburg** of the Cubs was retired, we went to the White Sox game instead, as **Ken Griffey Jr.** was a star outfielder for the Sox.

A few years later, everything came full circle on a golf junket. I met **Maury Wills**. He gave me his Topps baseball card and I was able to take a picture with him in the Las Vegas Club parking lot.

Ryan Sandberg and Ken Griffey Jr are Hall of Famers. **Dale Murphy** *should* be considered for the Hall of Fame after multiple MVP [Most Valuable Player] seasons. So should **Maury Wills**, "the player who changed the game" by his prolific base stealing!

- **Lion PDG Garrett Ogawa, Manoa Lions Club:** I am a Mets fan since 1969! The Amazing Mets!

Also, I own a **Jackie Robinson** bat that he used when he played here.

"The Amazing Mets" evokes memories of New York Mets fairy-tale season. Only eight years in MLB, the Mets won the 1969 World Series and were dubbed "The Amazing Mets"!

Lock up Jackie Robinson's bat in a vault – it could go for \$10 million at the auction block!

*"The greatness of a leader is measured by the achievements of the led.
This is the ultimate test of his effectiveness.*

General Omar Bradley
